

Look at the people in the photos and the list of jobs below. Each person does one of the jobs from the list. Individually, think about which person might do which job.

boxer hairdresser mathematician model musician poet politician yoga teacher

Now discuss each person with your partner. Eliminate the jobs you think are impossible for that person. Use *He / She can't be a...* and say why.

*The woman in photo 1 can't be a boxer because...)*

Now say which jobs you think are possible. Use *He / She might be...*

*She might be a musician or a yoga teacher...)*

Now make a final choice for each person. Use *He / She must be...* and say why. Your teacher will give you the answers.

*She must be a ...because...)*
